Historical Landmark Salvaged

In association with Father Norman Fitzpatrick, Principal of Saint Michael's College School, the Alumni Association salvaged the main doorway to Clover Hill at Saint Michael's College, Bay Street, and it has been re-erected on the Bathurst Street Campus. It stands as a visible link with our past, and as a tribute to the Basilian teachers and students who taught and learned in the Bay Street school over the past century.

Clover Hill - St. Joseph St.

During the summer of 1971 it was realized that a landmark of Basilian secondary education was about to disappear with the rapidly approaching demolition of the High School's former campus. This, combined with the fact that visible historical evidence was not present in the new high school, prompted quick action by all concerned.

In the estimation of many, the most striking and singular feature of the old building was the students' entrance, with its imposing gothic silhouettes.

After receiving the financial backing of the Alumni Association, Father Fitzpatrick retained the services of an Old Boy, Architect Bruno Appolonio. With the co-operation of Father John Kelly, President of St. Michael's College, preparations were made to retrieve the entrance way before it was demolished.

The entrance way was dismantled, each piece was numbered, and then the pieces were crated and shipped to the Bathurst Street Campus. Reconstruction took place during the months of October and November.

Basilian Teachers of The Old and the New

LEFT TO RIGHT: Fathers P. Lalonde; N.J. Fitzpatrick; J. Murphy; A. Kelly; J. Warren; R. MacDonald; T. McLean; F. Mallon, B. Higgins, genuflecting. All members of the Basilian Congregation.

Marching in....

in the Shadow of the Tower

Standing astride the south walk leading from Bathurst Street to the school, the ARCH is now situated about twenty feet from the street line. This location will provide the needed separation from the school building properly to allow the doorway a degree of architectural independence. Straddling the walkway as it is, the doorway will be functional in that today's students will pass through it as did many of their fathers.

It was felt at the school that an educational institution with a 120 year history should make some investment to preserve that history. It was felt that the present generation of students needs to know and to be reminded of its Christian and cultural sources; Clover Hill being one of those sources. The students need to know that their school did not just happen.

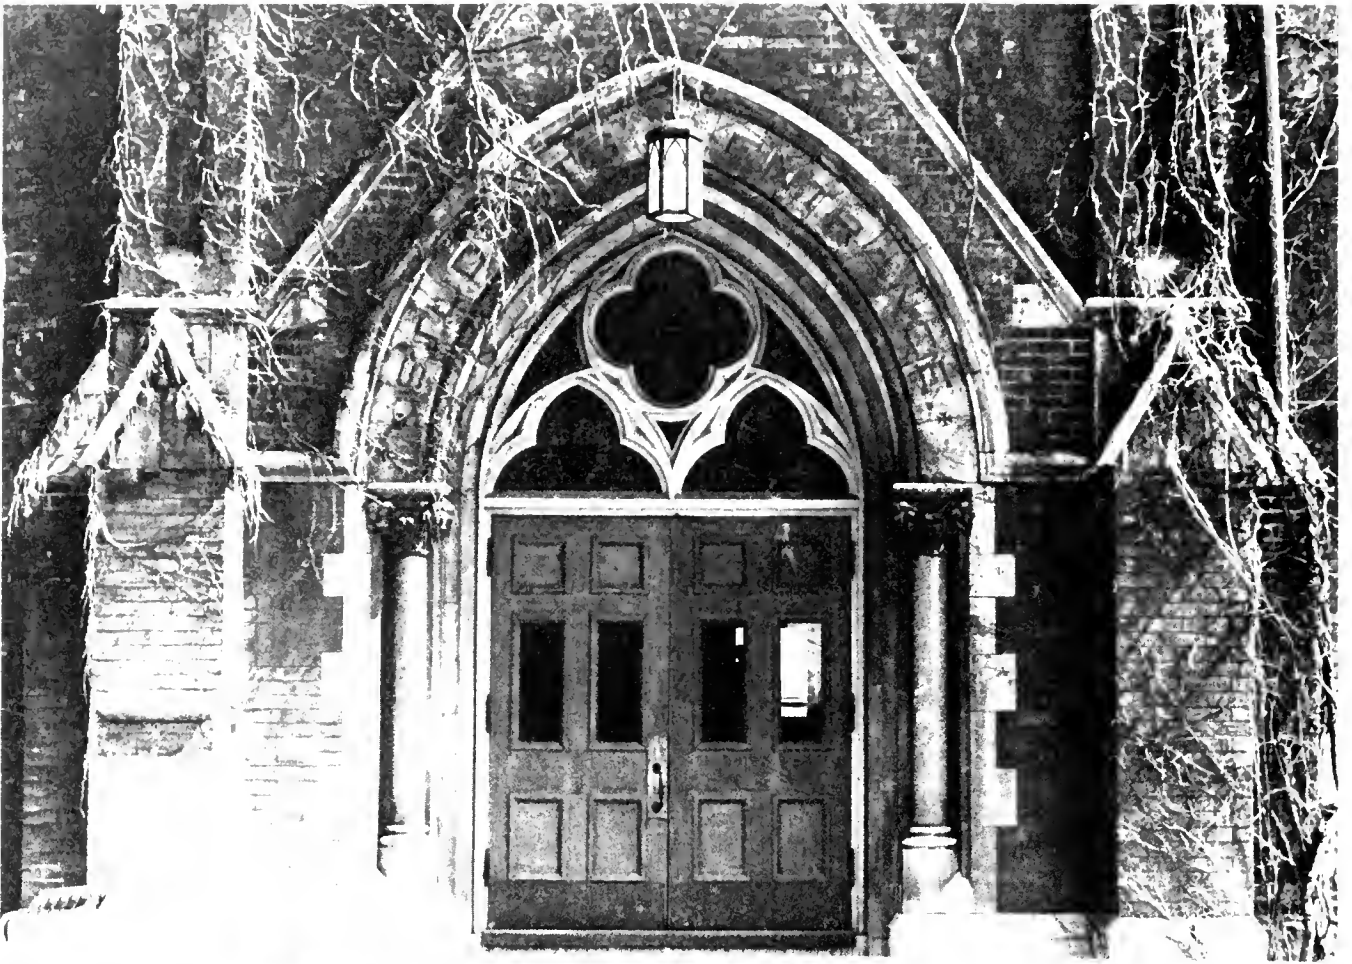

In the words of Father Fitzpatrick: "The entrance way is as symbolic and typical of the old high school building as the tower is to the new. To bring the two structures together on the same campus seemed a once-in-a-lifetime opportunity to mark the growth and continuity of the Basilian teaching apostolate over the past century. It was also seen as a way to pay tribute to those who are responsible for the development of our schools.

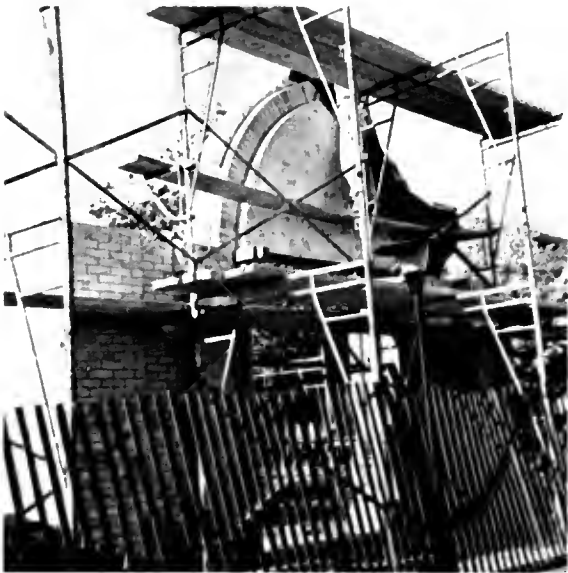

Clover Hill - Bay Street

For those now teaching and learning at Saint Michael's it was felt that the entrance way could be a visible reminder that we have a century of impressive history backing us up in our present efforts. It could awaken us to our lengthening history, and give us a new awareness and pride in ourselves. It could also be the occasion to ask about our past, to rediscover it, and hopefully to recognize that many of our traditions and Christian values were made possible by a long history of dedicated Basilian teachers and students.

The Alumni Association hopes that the entrance way project will be a rallying point for its members, and that the presence of the Clover Hill doorway in the shadow of the tower will be the bond that unites the two areas of Saint Michael's College School Alumni.

Dominic Macri ... off and running on a wide end sweep; Ed Jones looks for someone to block out.

Rick Forsayeth clears the road for Tony Volpe as takes off on a punt return.

A few of our "guys" missed their assignments on this play. It didn't happen very often.

"Pepper" McCracken never missed a game and was always ready to lend a helping hand.

Fullback Chris Bulger bursts through for a good gain against a flock of would-be tacklers.

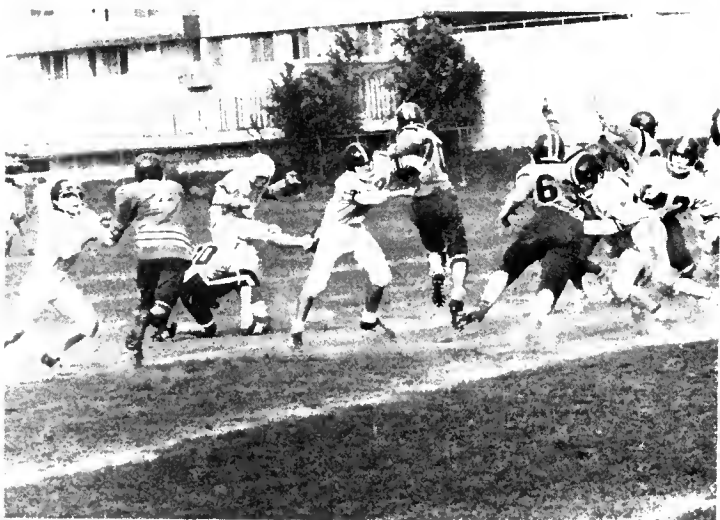

Rick Bozzato crashes off-tackle after a fake end-sweep to the right. Quarterback Ferraday, No. 10; and others watch after the fake.

Chris Bulger takes off from his ten yard line and sprints ...

Down the side line for another major score. Some run!

Blockin'... kickin'... wavin'

A great tackle with reinforcements moving in just in case ... that's Mr. Morris, the referee, on the right.

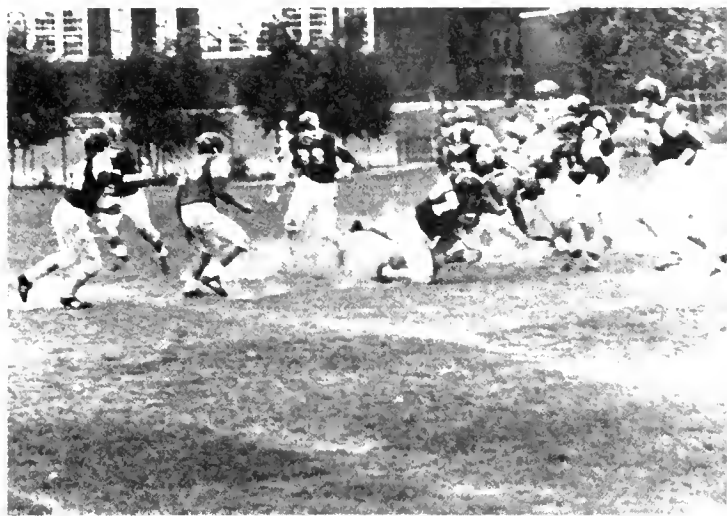

The fans, with great glee, follow the action as S.M.C.S. moves into scoring position.

More action! Result...a fumble.

Mr. Fenn plans an attack for his eager warriors hoping to break the "tie" (?).

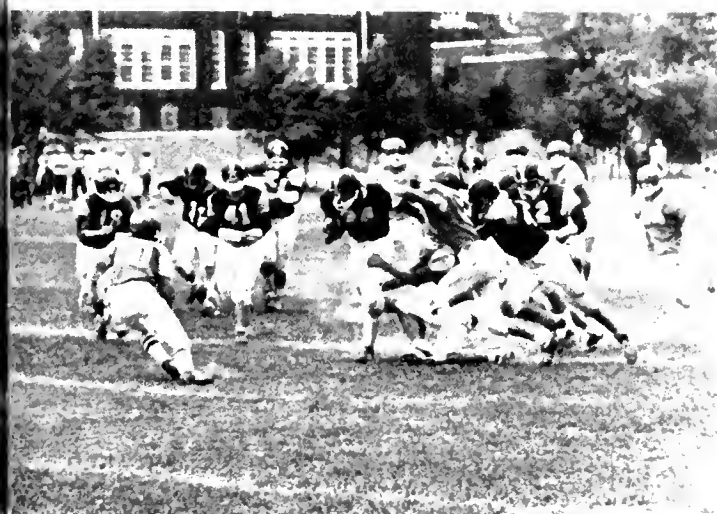

The Dust Bowl. With action like this ... no wonder.

Offence ... Defence

"Ouch, my achin' back".

Straight arm ... broken tackles ... a long gain

"Come on fellow, let me have it".

Parties

It was a Happy Christmas Season Around Saint Michael's

The Italian Club had a party during the Festive Season. That was the night that the lights went out.

Tony Carnevale and his friends pose at the TREE. At this stage of the game there was no power failure.

Mr. David Dean wasn't fast enough to get into the picture with his friend Miss Linda Cope, a Grad of Morrow Park.

Familiar faces. Mrs. McDade retires after twenty-five years of faithful service. Merle, Mrs. Rosenback, Mrs. Watson and Mrs. Grace Wilson help her celebrate the occasion.

At the Faculty Party at Christmas time, Mr. Davis at the piano and Mr. Guerriere with his trumpet supply the music while Mr. Dignan leads a group in a sing-song. The candles... the lights went out.

Jamie's friends wish him a "Happy Birthday". That was way back in the month of March. "18", huh? He should get out of Grade Nine next year.

Mrs. Wilson prepared an Italian Meal, several in fact, and the "gourmets" really enjoyed them.

The Parents' Guild of Saint Michael's College School gives to Parents a vital contact with the School and its teachers. Parents become aware of changes in school curriculum and the educational system and keep up to date on important school events. Parents meet other parents and enrich themselves as well as the school by organizing educational, social, and fund-raising events.

The Parents' Guild Agenda for the school year 1972-1973 includes:

Family Masses at the School Chapel

Annual Fall Dance

Parent Dialogue Night

Parent Involvement Night

Musical Comedy Night

Hosting Parent-Teacher Night

Do You Remember When...

the Graduation Ball was a gala affair, at which the Blessed Virgin was honored when her shrine was placed in a conspicuous spot on the dance floor?

when our Band looked like this? when Mr. Guerriere was just a young trumpet player and Father Whelan was the Moderator? Can you find them in the picture?

When Mr. Guerriere first came to Saint Michael's as Director of our Band and has held that position ever since?

...or When?

our chapel looked like this and we had "Exposition" every First Friday?

and do you remember when Father Dave Bauer (front and centre) coached the Majors in 1961 and won the Memorial Cup for St. Mike's. Jim Gregory (General Manager of The Leafs) was Trainer, and Billy MacMillan played left wing. Dave Keon, of course, is Captain of the Leafs. Jack Hargreaves has been connected with Hockey Canada. Gary Monahan was a member of the Bantam Champions in 1961 and is now the third member of the Keon - MacMillan - Monahan line for the Leafs. Do you remember? Fr. Hugh Mallon (front left) and Fr. M. Whelan (front right) do; they taught all of them during their sojourn at St. Mike's.

or when we raised our "new" Flag and the Band, the Staff and Students and many dignitaries attended the ceremony?

the Double Blue Ball was held here at Saint Michael's and over two hundred couples were present for the happy event?

THE GULF OIL COMPANY OF CANADA LIMITED

Real people with real ideas are changing things.

ARE YOU?

People are one thing. Real people are another. They're fundamentalists. Earth people. They love living. They try to make living better. Not by hibernating. Escaping from what they don't like. But by helping. Sending up good vibrations and better ideas. Real ideas for change.

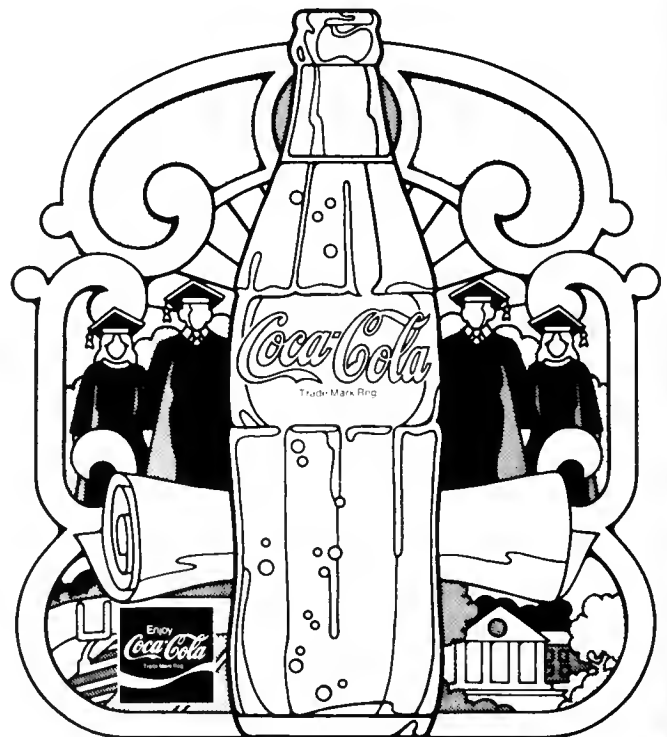

We're trying to change. No-one can change alone. Your Eaton Rep is helping us. You can help us too. Tell us what you want. We'll take it from there.

ANYONE
who owns
ANYTHING
should make
a Will!

You needn't be wealthy to warrant a Will! In fact, the less you have to leave your loved ones, the more important it is to conserve it and make the most of it.

We, as executors of many estates, know the pitfalls, the endless difficulties and bitter disappointments that result from "homemade" Wills, or worse, from no Will at all!

Let our estate planning officers have the opportunity of explaining to you our valuable services in the construction of a well planned Will.
